## Introduction

In accordance with the Ordinance on Amendments to the Ordinance on Value Added Tax (Official Gazette 1/20), taxpayers who do not have headquarters in the Republic of Croatia and perform occasional international road transport of passengers services on the territory of the Republic of Croatia, are obliged to submit the Registration of Services of International Road Transport of Passengers (MCP Form) through the MCP Form Electronic Submission Application.

The application enables the entry of the general information on the header of the form, registration of the travel route on the territory of Republic of Croatia and submission of the form with the receipt into the Tax Authority system in electronic form.

## Registration

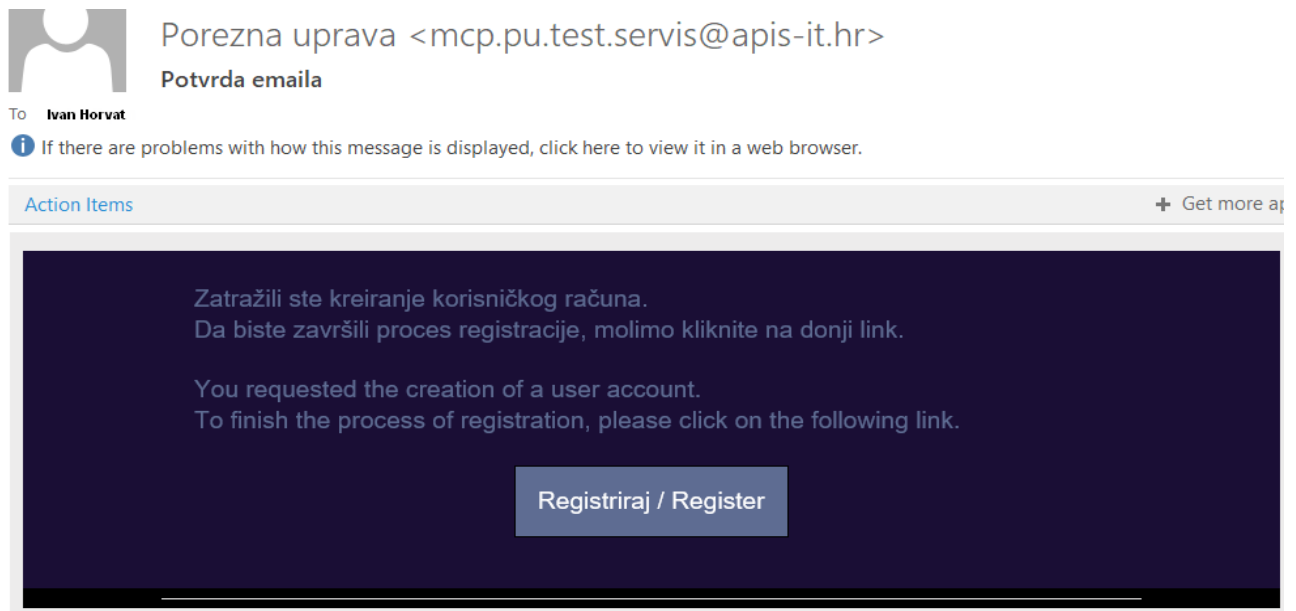

In order to successfully register through the MCP application, it is necessary to insert the Personal identification number (OIB) of the taxpayer for whom the MCP form is being submitted and the email address of the user who is sending the form, i.e. email address to which the PDF version of the form is to be sent and which will be used for signing in after the registration.

The screenshot shows the MCP application interface. At the top, there is a dark blue header with the Croatian flag on the left, the text "Prijava usluga međunarodnog cestovnog prijevoza putnika - Obrazac MCP / MCP form application" in the center, and two circular buttons labeled "HR" and "EN" on the right. Below the header is a section titled "REGISTRACIJA" (REGISTRATION) in white text on a dark blue background. The main content area is white and contains two input fields: "OIB" (with "OIB" below it) containing the value "0000000001", and "Email" (with "EMAIL" below it) containing the value "ivan.horvat@email.hr". Below these fields is a green button with white text that says "REGISTRIRAJTE SE / REGISTER". At the bottom of the form is another dark blue section titled "PRIJAVA (UKOLIKO STE REGISTRIRANI)" (LOGIN) in white text. Below this section is a green button with white text that says "PRIJAVITE SE / LOGIN".

After the entry of the information regarding the PIN number and email address and choosing **"REGISTER"**, a registration confirmation is showed.

An email will be sent for the registration confirmation to the user's previously entered email address after which data verification follows. Upon the 'Potvrda emaila' (email confirmation) receipt, it is necessary to select 'Register' in order to choose a connection to the registration.

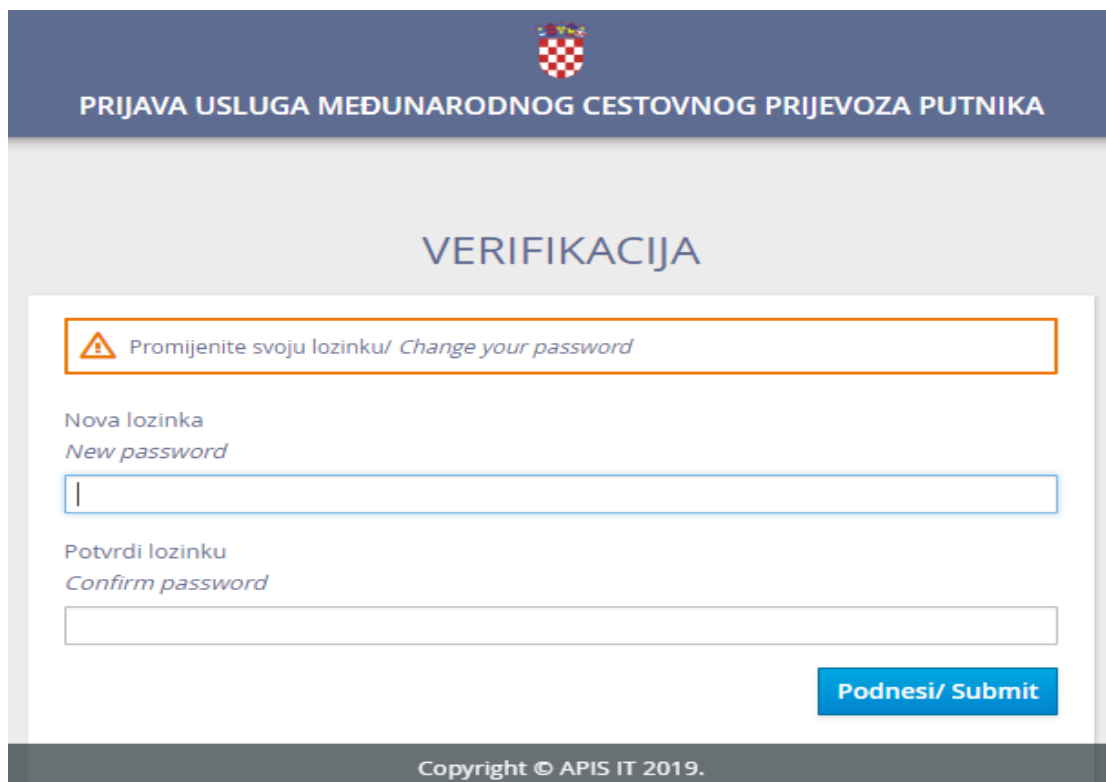

After selecting the connection, it is necessary to select '**Click here to proceed**' in order to complete the verification process.

The screenshot shows a web page with a dark blue header containing the Croatian coat of arms and the text "PRIJAVA USLUGA MEĐUNARODNOG CESTOVNOG PRIJEVOZA PUTNIKA". Below the header, the word "VERIFIKACIJA" is centered. A white box contains the text: "Molimo nastavite postupak.", "Potvrdite Email, Obnovite lozinku", and two links: "» Nastavak verifikacije" and "» Click here to proceed". At the bottom of the page, a dark grey footer contains "Copyright © APIS IT 2019."

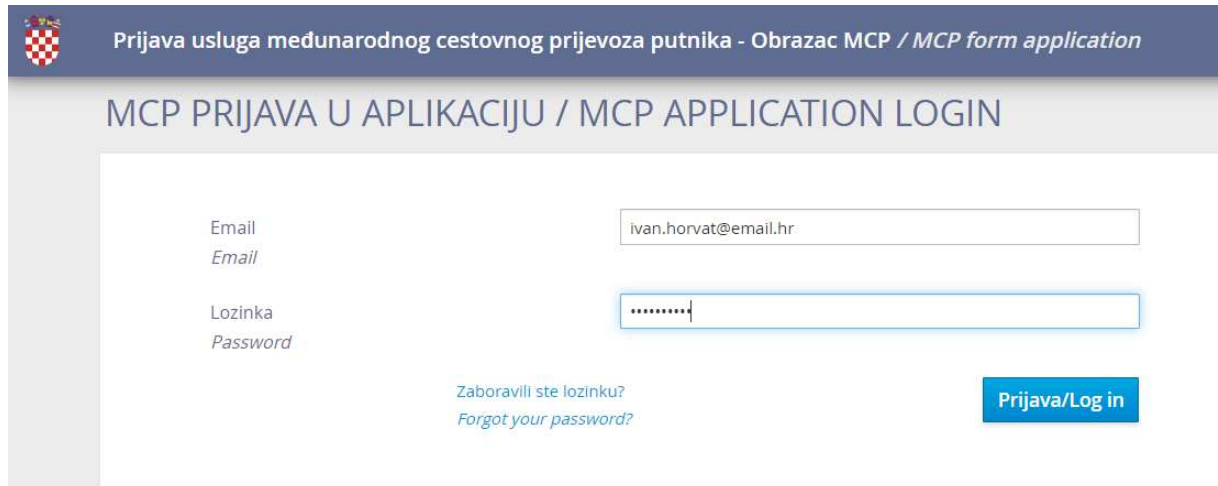

It is necessary to insert the password by choice on the verification screen in the fields „**New password**” and „**Confirm password**” and select the option "**Submit**".

The screenshot shows the same web page as above, but with a white box containing a warning message: "Promijenite svoju lozinku/ Change your password" with a warning icon. Below this, there are two input fields: "Nova lozinka / New password" and "Potvrdi lozinku / Confirm password". A blue button labeled "Podnesi/ Submit" is positioned at the bottom right of the form area. The footer "Copyright © APIS IT 2019." is visible at the bottom.
